CAPABILITY STATEMENT 2025

Cairns | FNQ | Nationwide Support

COMPANY OVERVIEW ABOUT US

Veteran-owned management consultancy specialising in compliance, systems improvement, and safety frameworks. We help organisations move from reactive compliance to proactive governance through tailored ISO-aligned systems and practical coaching.

Core Services

- Accreditation & Compliance (ISO 9001, 14001, 45001, 27001)
- Governance & Documentation
- Business Improvement & Auditing
- Outsourced QHSE Management & SiteDocs Implementation (new)
- Sector Support – Defence, Maritime, Trades, Childcare, Cleaning, and Refrigeration

Key Differentiators

- Practical on-site consulting – not just paperwork
- Veteran leadership with real operational experience
- ISO and WHSEQ expertise tailored for small to medium business
- Digital compliance transformation via SiteDocs partnership (40% integration rebate)

Past Performance

- Pasma Electrical – Gap analysis & ISO readiness
- ATL Safety Solutions – WHSEQ Manual, ISO certification program
- Multiple SME audits and compliance reviews in FNQ

Partnerships

- Official SiteDocs Partner
- Local business engagement network across FNQ
